2017-2018

Team IceLand

Membership Information

This year there will be three different Team IceLand membership options for customers to choose from. This is not a discount card but a thank you to our continued and loyal customers. All skaters are welcome to join. Below are details for each.

All Team IceLand members will continue to receive great "Team" experience!

- Members must be registered by 10/2/17 to partake in any offers or specials that would apply to team members for the 2017-2018 season. Those skaters who register after 10/2/17 will be team members and will receive information but will not be able to take advantage of special rates or registration deadlines.
- TI Membership fees must be paid before any TI class registration fees apply for Gold Memberships. No class fees will be retroactively refunded.
- All TI Members must represent Niles IceLand at any ISI competition they compete in when skating as an individual, couples, or pair skater. If a skater chooses to change their rink affiliation mid season their Team IceLand membership will be void at that time and all TI benefits will be forfeited.
- Only TI members can be a part of the production teams and team compulsories teams.
- Chi Town Ice Theatre and Ice Infinity Synchronized Skating Team members are not automatically a part of TI but are encouraged and welcome to join. This is so that skaters who choose to represent other facilities as individual skaters can still be members of the Theatre and Synchronized teams.
- Membership in Team IceLand is annual and runs from September 1st to August 31st.
- Team IceLand Members are registered for at least one Learn to Skate Class for the Fall, Winter, Spring, and Summer (or Summer training programs) Sessions.

Team IceLand Resident Membership Code # 433210-02

Fee: \$25

These Team IceLand members will receive all of the great things they have gotten before. They already receive the resident rates on all of our programs and get priority registration when we feel the need to do that for popular programs. Essentially, things will remain as they were for our residents. Nothing more will be charged and nothing more will be expected of these members. Membership in Team IceLand has always required a minimum of two service hours at one of IceLand's special events. The only additional fees for these members will be for special events that have an extra fee. Ex. Disney on Ice Trip, seminar fees, production team fees, etc.

Niles IceLand
8435 W. Ballard Rd.

Team IceLand Silver Membership Non-Resident Code # 433210-07

Fee: \$25

These Team IceLand members will receive all of the great things they have gotten before. If registered by 10/2/17 they will be able to partake in any special registration dates. If registered after 10/2/17 no special registration or rate opportunities will apply. All other club related things will essentially remain as they were for these members. Nothing more will be charged and nothing more will be expected of these members. Membership in Team IceLand has always required a minimum of two service hours at one of IceLand's special events. The only additional fees for these members will be for special events that have an extra fee. Ex. Disney on Ice Trip, seminar fees, production team fees, etc.

Team IceLand Gold Membership— Non-Resident Membership **Deadline 10/2/17** Code # 433210-09

**Gold Membership
Non-Resident Fee: \$100**

These Team IceLand members will receive all of the great things they have gotten before. If registered by 10/2/17 they will be able to partake in any special registration dates. In addition these members will pay just \$10 over the resident rates for any IceLand classes and ice show group numbers. Synchronized skating team fees do not count toward this program but other discounts will be applied for returning team members. All other club related things will essentially remain as they were for these members. Nothing more will be charged and nothing more will be expected of these members. Membership in Team IceLand has always required a minimum of two service hours at one of IceLand's special events. The only additional fees for these members will be for special events that have an extra fee. Ex. Disney on Ice Trip, seminar fees, production team fees, etc.

***Skaters must register for this membership prior to registering for their fall classes to receive the "resident plus \$10" rate of their fall classes. No discounts will be given after the fact.**
