

NILES PARK DISTRICT FALL BASEBALL LEAGUE

**Volunteer
coaches
needed!**

Sign up now for one of our four different divisions: **14 & under, 12 & under, 10 & under and our 7-8 year old division. Teams will have the option of joining the Major League or Minor League Divisions. Each team will play at least 8 games.**

The Major League Division is for teams that are full-time or mostly full time travel and those league games will be more competitive.

The Minor League Division is for teams who don't play full time travel or have only a few kids (4 or less) that do. Players who sign up individually will be placed in the Minor League Division.

Games are played on Friday evenings at 5:30p or 8p and anytime between 9am and 10pm on Saturdays & Sundays. Each player will receive a jersey & hat that must be worn to all games. You can sign up as a team or individually. Individuals will be placed together to form a team or placed onto a team already assembled who has open rosters spots. **If you have 12 of your own players we will consider you a full team and won't add anyone to it.**
