Four Simple Steps to Choose a Private Coach!

Whether to master class skills, perform in recitals & shows, or participate in competitions, private lessons benefit everyone!

1. Ask your child which class instructors they learn from the best.
2. Observe our instructors giving private lessons.
3. Read the instructor biographies posted in the lobby across from the office.
4. Complete a Private Lesson Request Form. You may request a particular instructor on the form, or the Skating Director will help you choose someone!

For up-to-date info on Learn-to-Skate classes, specialty classes, private lessons, freestyle, ice show, camps, or synchro team, please check the bulletin boards located next to the Skate School Office.
