Four Simple Steps to Choose a Private Coach!

Whether to master class skills, perform in recitals & shows, or participate in competitions, private lessons benefit everyone!

1. Ask your child which class instructors they learn from the best.
2. Observe our instructors giving private lessons.
3. Read the instructor biographies posted in the lobby across from the office.
4. Complete a Private Lesson Request Form. You may request a particular instructor on the form, or the Director will help you choose someone!
