Our most basic hockey class. Designed for beginner skaters with an interest in playing hockey. Skills covered in this class involve all basic skating skills-push & glides, stops, turns, backwards skating, transitions and crossovers. Stick and pucks are used in class to give each child a "taste" of playing hockey. All basic equipment (skates, shin-guards, elbow pads, gloves, helmet and stick) is provided for an additional charge. Players who have their own equipment are also welcome in class. Enrollment is limited.

- ◆ **Pre-Requisite:** Complete Intro Class with approval of Niles Hockey Instructor or possess basic skating skills and be able to glide. Players must be able to stand on the ice without assistance and be able to balance.
