Rookie Rangers

This is our most basic hockey class that is designed for beginner skaters with an interest in playing hockey. Skills covered in this class involve all basic skating skills-push & glides, stops, turns, backwards skating and crossovers. Stick and pucks are used in class to give each child a "taste" of playing hockey. All basic equipment (skates, shin-guards, elbow pads, gloves, helmet/facemask and stick) is provided for an additional charge. Players who have their own equipment are also welcome into this class! Enrollment is limited.

◆ **Pre-Requisite:** Complete Intro Class with instructor approval or possess basic skating skills. Players must be able to stand on the ice, balance and glide without assistance.
