2026 Santa's Holiday Follies Ice Show Information

Join the ANNUAL HOLIDAY ICE SHOW! Don't miss out on your chance to light up the ice in our Holiday Ice Show! Skaters participating in the Fall Session of Learn to Skate Classes are eligible to participate. Whether you are a tot or advanced freestyle skater, we want you to be a part of this Holiday Season Production!

It's as easy as 1-2-3 and you will be ready for the spotlight.

***ONE!** Skaters will need to be enrolled in the Fall Session of Learn to Skate Group Classes. Skaters must meet the prerequisite listed for each class for which they plan to enroll.

Skaters may only register for 1 group number in the Holiday Show.

***TWO!** Skaters must register for the Holiday Ice Show. Registration begins August 24, 2026 and runs through October 4, 2026. Skaters must meet the prerequisite listed for each group number in which they plan to enroll. With your registration you will receive: rehearsal time, professional choreography, a costume for your group number, and one professionally recorded DVD of the show. You may need to provide small costume accessories such as tights, gloves, boot covers, black pants, black shorts, turtleneck shirts, or nude leotards.

***THREE!** Attend your scheduled group rehearsals, the dress rehearsal, and 2 show performances. Rehearsal is mandatory. Skaters who miss more than 1 rehearsal may be ineligible to perform.

Don't forget to invite your friends and families.

*Skaters may participate in one group number that corresponds with their current class level as well as the Opening Number. If you are unsure of what level to register your skater for or have any questions, please see the Skating Director, Amy Forbes or the Assistant Ice Show Director, Gina Cline. They will be happy to answer all of your questions and ease your concerns.

Please return form at the time of registration.

Skater who do not turn a form by October 4, 2026 will receive a costume size that may need alterations as a large size will be ordered for the skater.

How to measure your skater for their ice show costume.

Please follow these simple steps when you're ready to take body measurements.

- Have your skater wear undergarments or a lightweight leotard with a bra that gives the bust line their typical shape for most accurate measurements.
- Have your skater stand straight with their weight evenly distributed.

The measurement tape should be snug but not too tight on circumference measurements and stretched tight for vertical measurements.

Getting the Measurements:

- **1. Bust/Chest** – Measure over the fullest part of your chest with your arms relaxed at your sides.
- **2. Waist** – Measure around where your waist naturally indents. Keep your finger between the tape and your belly.
- **3. Hips** – Measure around the fullest part of the hips and buttocks while standing with your heels together.
- **4. Girth** – Measure from the midpoint on the shoulder towards the front, through the crotch and back around to meet the midpoint of the shoulder.
- **5. Inseam** – Measure from the crotch to the bottom. The inseam length is the number of inches, to the nearest half-inch.

ICE-SKATING PROGRAM WAIVER & RELEASE

IMPORTANT INFORMATION

The Niles Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Niles park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for ice-skating activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Ice-skating is intended to challenge and engage the physical, mental and emotional resources of the participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to head injury, neck or back injury, wrist and ankle fractures, and other orthopedic injuries to limbs and joints. All hazards and dangers cannot be foreseen. The very nature of ice- skating is risky, including but not limited to slip and falls, colliding with other players of varying degrees of skill (including being struck from behind), tripping on irregular ice surfaces, cuts from skate blades, inadequate or defective equipment, ill-fitting skates, failure in supervision or instruction, horseplay, carelessness, poor technique, poor conditioning, rule violations, striking a stationary object, premises defects outside the rink, and all other risks inherent to the sport of ice-skating. In this regard, it must be recognized that it is impossible for the Niles Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the above identified programs/activities, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with said programs/activities (including transportation services/vehicle operation, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in these programs/activities, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in all these programs/activities against the Niles Park District, including its officials, agents, volunteers and employees (here-in after collectively referred as "District"). I do hereby fully release and forever discharge the District from any and all claims for injuries, damages, or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with these programs/activities. If registering on-line or via fax, your on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. Additionally, by signing this form, I am certifying that I qualify for the rate charged (i.e. If resident rate was charged, I am/my children are residents of the Niles Park District). If this is proven untrue, I realize that my park district privileges may be suspended or revoked. Photos are periodically taken of participants in a class, during a special event or at the District's parks. Please be aware that these photos are for Park District use only and may be used in the District's publications.

I have read and fully understand the above important, warning or risk, assumption of risk and waiver and release of all claims. PARTICIPATION WILL BE DENIED if the signature of adult participation or parent/guardian and date are not on this waiver.
