Dear Neighbors,

The Niles Park District's IceLand Ice Arena is preparing for its annual Ice Show. Each year the rink is transformed into a theater setting, and our young skaters are given the opportunity to perform in front of large audiences and showcase their talents. The skaters range in age from three to adult and attract many family members, friends, and others in the community to the shows. Our skaters represent the Niles community as well as Edison Park, Norwood Park, Jefferson Park, Morton Grove, Des Plaines, Mount Prospect, Glenview, Park Ridge, and others. There are over 100 performers in this year's show. Our skaters work so hard and are so excited for the return of this annual opportunity.

This year's Ice Show title is **Kooky, Spooky, Scary, Skatey!** It will be a fun-filled assortment of acts that will take you on a kooky ride with characters like Beetlejuice, Casper the Friendly Ghost, and Wednesday Addams. The skaters will perform as soloists and in groups on our frozen stage. For the past 52 years, skaters from IceLand have been performing in shows here. This year we will feature three performances on May 2, 3, and 4, 2025. You may purchase program ad space for your special skater, business, or both. Skaters love seeing their "good luck" wishes in the program. Your ad or contribution will be printed and displayed in our Ice Show program. Each skater gets a program with their registration and additional programs will be for sale throughout the three weekend shows, to spectators.

If you would like to place an ad in our program, please provide us with your information on the enclosed order form. Submit the form with a camera ready copy of your ad and payment to: Niles Park District, Iceland Ice Arena, 8435 W. Ballard Rd., Niles, IL 60714. Please also email a copy of your artwork to Aforbes@niles-parks.org. We must have a digital copy. The deadline for submissions is Friday, March 28, 2025. If you have any questions, please contact me at (847) 297-8010 or Aforbes@niles-parks.org.

We look forward to working with you.

Thank you for your support,

Amy Forbes, Skating Director
